

**WE exist
to demonstrate
the Love of JESUS CHRIST
to the POOR and Needy**

“By this we know love, because He laid down His life for us. And we also ought to lay down our lives for the brethren. But whoever has this world’s goods, and sees his brother in need, and shuts up his heart from him, how does the love of God abide in him? My little children, let us not love in word or in tongue, but in deed and in truth.”

1 John 3:16-18 NKJV

Love Of Vietnam Expressed, Inc

Love is not to be said, IT SHOULD BE EXPRESSED

Who L.O.V.E is...

L.O.V.E is a non-profit, non-governmental Christian relief organization founded by Mr. Reggie Coward in 2000 and focusing on the poor and needy in Danang.

Our Vision

To demonstrate the love of Jesus Christ through our love for and service to the poor and needy, to give them hope not only in this lifetime but for all eternity.

Our Mission

L.O.V.E is a Christian relief organization that provides spiritual, physical and emotional support to Central Vietnam’s impoverished children, orphans, at-risk and special-needs children.

WHAT WE ARE DOING

Sponsorship

We believe that education is a good way to break the cycle of poverty. With that in mind, we look for sponsors giving Sponsorships to the needy children to keep them in school. Sponsorship provides a child with educational support, extra gifts for nutrition, medical care and so on, and Christ-centered guidance.

We distribute monthly stipend to children until they complete their studies as long as they are still in need. We also help to connect sponsors and sponsored children through letters. Thus, we can accompany the children and encourage them in a very important period of their life.

Student Homes

We believe that young people with knowledge have the power to change the generations. Living and studying environment play important roles in their life. This is why we run Student Housing Program for needy college students who study away from home.

These rented houses provide not only accommodation but also healthy and spiritual environment with love and belonging. Christian principles and values are always required there, which makes the difference. Non-Christian students are welcomed to these houses and it is where Gospel seeds are sown.

Medical/ Humanitarian Mission and Other Help

We believe that one of the greatest needs in Vietnam is medical care. Currently, we are supplying Medicine Cabinets to remote areas of Vietnam. We are also committed to encouraging and inviting medical teams, Church groups, short-term mission teams, and other groups to come to Vietnam and assist in helping the poor and needy here.

As funds allow, every year we provide Emergency Aid, Humanitarian Mission trip and other helps.

Our goal is to provide 10 Medicine Cabinets and 2-4 Humanitarian Mission trips each year.
